Announcement

The last of the series of four sales for the year 1901, to be made under the management of the American Short Horn Breeders' Association, will be held in the Live Stock Pavilion, Chicago, Ill., during the time of the International Show, Nov. 30th to Dec. 7th, 1901. The sale will begin at 1 o'clock P. M., Thursday, December 5th, and Friday, Dec. 6th.

This catalogue is sent forth with the positive assurance that this offering is much better than that of any sale yet made under the management of the Association. In this sale breeders have consigned some of the choicest specimens of their herds, and this should have been done in all former sales. Intending purchasers can visit this sale with the absolute guarantee that they will find "plums" of the breed that have been gathered from the "bonnie braes" of Scotland and from some of the best herds of our own country, than which no country can produce better. This catalogue presents a long galaxy of illustrious sires and dams that have impressed the Short Horn on the history of domestic animals as no other breed has been impressed, and have made the breed, in its best development, the synonym of beauty and symmetry. To what do the illustrious breeders of the past owe their honored places in history but to the fact that they were enabled by careful and intelligent selection to produce these famous sires and dams? The excellent foundation laid by them has been built upon and improved by their successors, and the result of that work, or a portion of it, is now offered to the public, with the belief that it will prove a source of beauty to all and with the hope that they will prove profitable to those who purchase.

The sale being held at the Union Stock Yards gives ample shipping facilities, and at the close of the sale stock can be shipped without delay to any railroad point.

Very favorable passenger rates will be given by all railroads. Ask your ticket agent for terms.

Auctioneers—Cois. F. M. Woods James W. Sparks R. E. Edmonson and C. M. Jones.

Terms and Conditions of the Sale

Each lot will be sold separately to the highest bidder, without reserve, if more than one bid is made for same. A cow with calf at foot is regarded as a single lot.

The sales will be made in the order catalogued.

The auctioneer selling will settle any dispute as to a bid, if he cannot adjust the same otherwise, by declaring all bids off and re-offering the lot in question.

Each lot will be at the purchaser's risk as soon as sold, but will not be delivered until settlement has been made for same.

After being sold, the animals will be fed and cared for twenty-four hours free of charge to the purchaser.

For all pedigrees that are not yet printed, ownership will be changed to give purchaser's name and so printed in the herd book.

The terms of sale will be cash, unless other arrangements are made with the owner thereof before the sale. Persons who may desire to pay for animals purchased by personal check and are not known to the clerk, will please bring letter of credit from their banker.

Breeding list will be furnished on day of sale.

Short-Horn Exhibition

In connection with the sale of cattle herein catalogued, there will be held at the same place, November 30 to December 7, a show of Short-Horns, for which large prizes have been offered. The rules and regulations governing the show, and the premium list, will be found in this catalogue following the pedigrees of the animals that are to be sold.

IMP. MISSIE ONE HUNDRED AND FIFTY-THIRD is consigned to this sale the property of her breeder, W. S. Marr, of Uppermill Tarves, Aberdeenshire, Scotland. To quote the language of Mr. Marr, she was selected as "My best Missie." In view of the fact that this tribe is generally admitted to be one of the best of all existing families of Short Horns, this statement from Mr. Marr means that Missie 153d is one of the most valuable Short Horn cows living. She is a regular and good breeder; her last calf, a red bull, having been purchased at Mr. Marr's recent sale in Scotland by W. D. Flatt. Mr. Marr writes: "No one could have bought her from me at home, as I refused to price her to one and all. She has had no special fitting in any way, is in natural condition, fresh off the Uppermill pastures."

WANDERER was a thick roan bull, extensively used at Uppermill and got by the best of the latter-day Sittyton bulls, Commodore (54118), dam Godiva by Cumberland (46144); second dam the noted cow Gilliver by Roan Gauntlet (35284); third dam Garnish by Royal Duke of Gloster (29864); tracing through Gold Mint to the Brawith Bud foundation.

WILLIAM OF ORANGE, the great Cruickshank Orange Blossom bull that made such a remarkable impression at Uppermill on the Missies and other of Mr. Marr's fine old families. With the possible exception of Heir of Englishman he was the most impressive sire ever used at Uppermill. He was a son of Roan Gauntlet (35284), out of Orange Blossom 21st by Caesar Augustus (25704).

ATHABASCA, bred by Mr. Cruickshank and used by Mr. Marr, was a son of the great Sittyton show bull Pride of the Isles (35072), out of Azalea, the dam of the renowned Field Marshal. Indeed so good was his influence upon the Uppermill cows that since his time Cruickshank bulls have been steadily given the preference at Uppermill.

Bred March 29, 1901, to Bapton Favorite (76080).

STAR'S QUEEN is a granddaughter of the great Queen of Scots, the most valuable Cruickshank cow the Messrs. Forbes have ever owned. She belongs to the Duchess of Gloster family, descending direct from imp. 12th Duchess of Gloster, one of the very few Champion of England heifers sold by Mr. Cruickshank to come to America.

STAR OF THE NORTH was the first prize aged bull at the Chicago International Exposition, December, 1900, where he was sold at auction to Dr. J. D. Cole, Newbern, Tenn., at \$1,840. He was selected by Mr. I. M. Forbes as a calf in 1898 from the herd of Her Majesty the late Queen Victoria. He was sired by Lord James 132075, out of the Cruickshank Clipper cow Zoe 2d by Star of Morning 121243. Lord James was a son of the noted show bull Lord Douglas 132003.

BARON GLOSTER, used with great success in the herd of Messrs. Forbes, was one of the shortest legged and most compactly built bulls the Cruickshank tribes have produced in the Western States. A bull of pronounced quality, was always in the best of flesh on moderate keep and proved a wonderfully prepotent sire. He was sired by Commander 79556, out of Duchess of Gloster by imp. Julius 56643; imp. 22d Duchess of Gloster by Barmpton Prince 45247. Baron Gloster's sire, Commander, was bred by James I. Davidson from imp. Julius Caesar 75674, out of imp. Day-break 4th, brought out from Aberdeenshire by Mr. Davidson in 1885.

GOLDSTICK, a fine breeding bull of Cruickshank's Venus tribe, got by Chancellor 68683, out of Geranium by Pride of the Isles 45274; Garland by Scotland's Pride (25100); Graceful by Baronet (15614).

JULIUS CAESAR, a Cruickshank bull of the Venus tribe, got by Cumberland 50626, dam Jonquill by Pride of the Isles 45274; Juliet by Barmpton Prince 45247.

This heifer belongs to the well and favorably known J. tribe—a tribe that has long been famous as producers of show cattle, as well as excellent milkers. They were prime favorites with the late S. Campbell, of Kinellar, and many other high-class breeders.

LIFE LINE belongs to the celebrated Inverquhomery family, which has furnished many Smithfield winners. He was got by Waverley 136405, who, after winning at the Highland Society's Show at Aberdeen in 1894, was purchased to head the Inverquhomery herd, not only for his great merit, but because of his excellent breeding, for he was by Mr. Bruce's Bendigo, who was a son of Clear the Way 96746, out of Augusta 8th. The Augusta family has furnished more Smithfield winners than any other. Life Line was out of Rosewood 45th by Banadullae 149524, an Inverquhomery Augusta by Clear the Way 96746 (sire of both the first and second prize steers at Smithfield in 1891; also of the steer which won first and reserve for Breed Cup, same show, 1892); dam was Augusta 7th by Privy Seal 109647.

MASTER OF THE RING was got by the excellently bred Cruickshank Victoria bull Vice Chancellor 110492, a son of Mr. Cruickshank's favorite Clipper sire Cumberland 50626, out of Victoria 58th by the Royal Northern prize winner Pride of the Isles 45274, dam Princess 16th by the Sittyton Spicy bull Strongbow 100975.

DENMARK comes honestly by his reputation as a sire of good ones, as he was got by Bendigo 106460, who belongs to the well-known Inverquhomery Augusta family, which has produced more Smithfield winners than any other in Great Britain. He was got by Clear the Way 96746, out of Augusta 8th by the Cruickshank bull Privy Seal 109647 (sire of the first and second prize steers at Smithfield in 1882, and of the first prize steer in 1883). Denmark's dam was Sunflower 6th by Coldstream 130834, a Sittyton Cicely.

LADY GLOSTER FIFTH is a Cruickshank Duchess of Gloster, one of the most distinguished families known to Shorn Horn records. This family at Sittyton was derived originally from the cow Chance, by Duke of Gloster, that was a granddaughter of Earl Ducie's Chaff.

VICTOR LAD, a Cruickshank Victoria bull bred by Messrs. Dustin and used by Messrs. Forbes, was sired by imp. Lavender Lad 119937, out of Victoria of Hickory Park, a show cow of rare substance, flesh and finish, carrying the blood of many of Mr. Cruickshank's best cattle. She was sired by Giltspur 92520, a red bull bred by Amos Cruickshank and imported in 1885 by James I. Davidson, afterward the property of Messrs. Sanger, Waukesha, Wis.

BARON GLOSTER, late chief stock bull in the Forbes herd, was an exceptionally short-legged red, with an ideal head, broad, full chine, low flanks, a wonderful loin, and strong quarters; evenly balanced throughout and smoothly covered with a rich quality of flesh. He was sired by Commander 79556, out of Duchess of Gloster by imp. Julius 56643; second dam imp. 22d Duchess of Gloster by Barmpton Prince 45247. His sire, Commander, was bred by Mr. James I. Davidson, of Canada, who was for some years agent for the sale of Mr. Cruickshank's cattle in North America. Imp. Julius was a half-brother, through his sire Barmpton 45246, to the celebrated imp. Baron Victor, so famous in the herd of W. A. Harris.

JULIUS CAESAR was a well-bred Cruickshank bull of the Venus tribe, got by Cumberland 50626, dam Jonquil by Pride of the Isles 45274; Juliet by Barmpton Prince 45247.

RED DUKE, a Kinellar Mina bull, got by Clifton Duke 2d 7711, out of Isabella by Diphthong 3d (21547); Mina by Beeswing (12456); Crocus by Sir Arthur (12072); Bashful by Young Ury (10984). Clifton Duke 2d was a well-bred Filligree bull from Woodburn Farm, Kentucky.

SPICY ROBIN belongs to the celebrated Spicy family. He was got by Roan Robin 109921 (bred by Mr. Cruickshank, used many years by Mr. Duthie, afterward by Deane-Willis, and was considered one of the best sires of his day). His dam was Sprightly by the Cruickshank bull Captain of the Guard 132059. Spicy Robin was first pick of the Deane-Willis 1895 calves, and was bought at the high price of 250 guineas when 12 months old.

SCOTTISH ARCHER, the sire of so many good ones, including the great English Champion, Marengo 141581, and Brave Archer 151718, recently purchased by E. S. Kelley, of Ohio, for \$6,000, belongs to the Cruickshank Secret tribe, and his pedigree is rich in the blood of the best Sittyton bulls. He was by Cumberland 50626, dam by Pride of the Isles 45274, g. d. by Champion of England (17526).

ATHABASCA, bred at Sittyton, sired by the Royal Northern prize winner Pride of the Isles 45274, dam Azalea (dam of the most celebrated of all latter-day Cruickshank bulls, Field Marshal), by Caesar Augustus (25704). He was bought in 1881, and used at Uppermill for seven years with marked success. Athabasca's bull calves were in keen demand and his heifers, as a rule, were of a refined and excellent breeding type.

QUEEN OF SCOTS TENTH is a granddaughter of old Queen of Scots, a Cruickshank Duchess of Gloster cow, for years the queen of the Forbes herd. This particular branch of the tribe descends from the roan 12th Duchess of Gloster, one of the few daughters of Champion of England ever imported to this country. Those who appreciate distinction in the remote as well as the immediate ancestry will not fail to observe that the Duchess of Gloster trace through Earl Ducie's Chaff to Colling's celebrated Madelina by Comet.

BARON GLOSTER stood for a number of years at the head of the Forbes herd and was acknowledged to be the equal of any sire in service at that time in any Western herd. He was a bull of extraordinary compactness and shortness of leg and his stock was uniformly good. He was sired by Commander 79556, out of Duchess of Gloster by imp. Julius 56643; imp. 22d Duchess of Gloster by Barmpton Prince 45247. His sire, Commander, was bred by James I. Davidson, of Canada, from imp. Julius Caesar 75674, out of imp. Daybreak 4th, brought out from Scotland by Mr. Davidson in 1885.

LORD LANCASTER FIFTH, a Cruickshank bull that stood at the head of the Forbes herd for several years, impressing upon his progeny much of his own genuine Scotch character. He was a red, sired by imp. Julius 56643, dam the Sittyton Lavender cow imp. Mary Ann of Lancaster 7th by Royal Lancaster 132356; Mary Ann of Lancaster 3d by Hope of Britain 75404; Mary Ann of Lancaster by Baronet 106304; Anne of Lancaster by Lord Raglan (13244). It thus appears that this bull was bred from the same foundation as Pickrell's celebrated Baron Booth of Lancaster.

GOLDSTICK, a fine breeding bull of Cruickshank's Venus tribe, got by Chancellor 68683, dam Geranium by Pride of the Isles 45274; Garland by Scotland's Pride (25100); Graceful by Baronet (15614).

JULIUS CAESAR, a Cruickshank bull of the Venus tribe, got by Cumberland 50626, dam Jonquil by Pride of the Isles 45274; Juliet by Barmpton Prince 45247.

RULE 1. An exhibitor who violates any of the following rules will forfeit all the privileges and premiums and be subject to such penalty as the Exposition may order.

RULE 2. All the exhibits will be under the control and direction of the General Manager, but the Exposition will in no case be responsible for any loss or damage that may occur. Each Exhibitor will be solely responsible for any consequential or other loss, injury or damage done to, or occasioned by, or arising from any animal or article exhibited by him, and for its description as given in the catalogue, and shall indemnify the Exposition against all legal or other proceedings in regard thereto.

RULE 3. The buildings will be in readiness for the reception of exhibits any time during the week preceding the Exposition.

RULE 4. The General Manager will have the entire control and management of the grounds and buildings, and the general supervision of all stock and articles exhibited.

RULE 5. All officers and employes are required to wear badges during the Exposition.

* * * * *

Catalogue.

* * * * *

RULE 12. The annual catalogue will be issued as a souvenir, and exhibitors will see the importance of having their exhibits properly catalogued, inasmuch as they will be included without cost to the exhibitor, if entered in accordance with the rules. (See Rules 2, 13, 14, 15).

RULE 13. All entries will be inserted in the annual catalogue, and each exhibitor on his arrival at the Exposition will receive, on application at the General Manager's office, tags with duplicate numbers to correspond with the catalogue number, which shall be fastened in the most conspicuous part of the stalls, pens or place where exhibit is shown.

RULE 14. If it is desired, the exhibitor may state in the entry the price for which he will sell his animal or article. This price shall be inserted in the catalogue, but all sales will be between the owner, or his representative, and the purchaser. The Exposition will not interfere or assume any responsibility.

RULE 15. No animal or article shall be considered by awarding committee that has not its proper tag prominently attached to it during competition. Tag will show age and official weight of competing animals.

Exhibitors.

All exhibits can be unloaded from the cars on the Exposition Grounds. Merchandise or live stock shipped from any part of the world is run direct to the Exposition without transfer. Consign all exhibits in care of "International Live Stock Exposition, Union Stock Yards, Chicago, Ill."

RULE 16. After having properly entered their exhibits, exhibitors must themselves see to their delivery to the Steward of the appropriate department, so that they may be in their places properly ticketed and ready for competition by 9 a. m. Monday, Dec. 2, 1901. They are likewise required to attend to their articles or animals while on exhibition, and answer such questions as the judges may deem essential to a correct estimate of their relative value.

* * * * *

RULE 18. All animals or articles for exhibition, except car lots of fat stock (see Special Rule), must be in their places, with all rubbish and waste cleared away, at 10 a. m., Saturday, Nov. 30, 1901, and entered in the name of the real owner, to remain on the grounds to the close of the Exposition. Any violation of this rule will cause a forfeiture of all premiums earned by exhibitors.

RULE 19. In all cases, the right is reserved to reject entirely, or accept conditionally, any entry or application.

RULE 20. All stalls, pens and exhibition places must be cleaned before 8 a. m. each day, and refuse matter disposed of as the General Manager may direct.

RULE 21. An exhibitor wishing to remove an exhibit for the night must apply to the General Manager; and, if there appears to be good reason for the removal, it may be effected by leaving a suitable deposit and receiving an official pass; the time of leaving and that of returning to be inserted thereon; and, if the exhibit be not duly returned, the deposit will be forfeited to the Exposition.

RULE 22. Exhibitors will not be allowed to deliver animals or articles during the Exposition, without special permission (though they may receive and book orders), nor will they be permitted to call attention to their wares in any noisy or disorderly manner, and only such signs and placards may be put up as the General Manager shall approve and allow.

RULE 23. Any false representation, interference or ungentlemanly conduct on the part of an exhibitor will be dealt with by the Executive Committee according to the equities of the case.

RULE 24. All protests must be in writing and accompanied by a deposit of \$20.00, which will be forfeited if protest is not sustained. Such protest must state plainly the cause of complaint, or appeal, and must be delivered to the General Manager within six hours after the cause of protest. No complaint or appeal based upon the statement that the judges have overlooked animal or article will be considered by the Executive Committee.

RULE 25. No person having entered anything for competition will be allowed to withdraw or change the entry after Saturday, Nov. 30, 1901, except as noted in Rule 26, nor may anyone refuse any premiums awarded, and the prize ribbons and commendation cards must be displayed during the Exposition.

RULE 26. Exhibits that have been erroneously entered may, in the discretion of the General Manager, be transferred to their proper classes previous to the judging. If such classes have been judged, they shall not be reopened.

RULE 27. Exhibits having objectionable features may be ordered to vacate their stalls, pens or space. And the Exposition reserves the right to withhold premiums awarded in every case in which it shall appear to the Executive Committee that the regulations have not been complied with, or that fraud or deception has been practiced or attempted.

Judges.

Judges are earnestly requested to familiarize themselves with all the rules and regulations of this Exposition, and to especially mark those rules bearing on the classes to be adjudicated by them. Ignorance of the rules is inexcusable in a judge.

* * * * *

RULE 30. The time at which the judges will pass upon the different classes is announced in the catalogue and will be on bulletin boards conspicuously posted. Any exhibit not presented promptly on schedule time will be ruled out and debarred from competition in the class called.

RULE 31. Judges must not award prizes to any unworthy exhibit; it is the intention of the Exposition that no premium or distinction of any kind shall be given any animal or article that is not deserving. This rule must be strictly adhered to, whether there is competition or not.

RULE 32. Where there are fewer entries in class than number of premiums offered, judges may, in their discretion, award a prize or prizes of such grade as the animal or article deserves.

RULE 33. The General Manager will exclude from competition any exhibit to which the catalogue number is not attached.

RULE 34. Judges shall report to the General Manager any exhibitor or exhibitors who, in any way, whether in person or by agents or servants, interfere with them during their adjudication, or show any disrespect to them, whereupon the General Manager shall, at his discretion, demand a proper apology from such exhibitor, or he may exclude such from competition, and the Exposition may withhold from such exhibitors any premiums that have been awarded them.

RULE 35. Protests or complaints against any animals or articles in competition must be made in writing to the General Manager, who will, if the case warrants, debar the animal or article protested from competition.

RULE 36. All judges' books shall remain with the General Manager or his ring stewards when not in actual use.

RULE 37. Those who wish to explain in regard to their exhibits may do so through the General Manager or his stewards, and must not interfere with the judges.

RULE 38. The decision of the judges shall be final in all cases, except where mistake, fraud, misrepresentation or collusion, not discovered at the time of the award, is proven. In such cases the General Manager, or such referee as he may appoint, may make decision, or, with his approval, the case may be appealed to the Executive Committee, from whose decision there can be no appeal.

RULE 39. In every class the judges will, in accord with Rules 31 and 32, select and grade one animal or article for each cash premium in the order of their merit, and in addition thereto he shall select and grade the next best animal or article as a reserve. Animals or articles thus selected will receive an appropriate card to be known as the "Reserve Ticket." Should any exhibit or exhibitor awarded a cash prize be disqualified, the exhibits or exhibitors gaining the lower prizes shall graduate up into the higher positions next in order above them, and the reserve number shall then graduate into a cash prize.

RULE 40. When, in any class, there shall be more worthy animals or articles than the number of cash premiums offered, the judge may officially commend them. Both those "highly commended" and those "commended" to be awarded printed cards to that effect. Every animal or article in a class may be commended, if worthy, but the General Manager will impress upon the judges the importance attached to these commendations. (See Rules 31 and 32.)

Premiums.

RULE 41. Premiums shall be designated by ribbons: Blue, first; red, second; white, third; yellow, fourth; pink, fifth; green, sixth. Championships, royal purple.

RULE 42. Supplementary to the premium ribbons, the association will issue a tasteful card, showing name of exhibitor, name of article or animal, together with class designation, grade of prize awarded, number of competitors, and name of the awarding judge. These cards will be duly signed by the Exposition officers, and bear the seal of the Exposition, and will be mailed to exhibitors as early as practicable after the close of the Exposition.

RULE 43. (a) Cash premiums are payable by bank check (except when, at the request of the exhibitor, a cup, diploma or medal is granted in lieu of cash). (b) The Exposition bank check will be drawn by the treasurer upon presentation of transcript of premiums awarded, duly signed by the General Manager and indorsed as "correct" by exhibitor. (c) These checks in payment of premiums are payable to "order," and must be indorsed by those in whose favor they are drawn, and thereupon can be cashed by the treasurer or at any bank where indorser is identified. (d) "Transcripts of premiums awarded," which will constitute an "order" on the treasurer to pay the same, will be issued to exhibitors after 4:00 p. m. on Saturday, Dec. 7, 1901. (e) Special premiums will be paid by those offering them, on an order from the General Manager. (f) All orders, cups, diplomas, medals and certificates will be delivered at the general office of the Exposition, or forwarded to the exhibitors, as they may direct, as soon after the close of the Exposition as they can be properly engrossed and engraved. (g) All premiums whatsoever not claimed by exhibitors before January 1, 1902, shall be deemed forfeited to the Exposition or donors.

Interpretation of Rules.

RULE 44. This Exposition reserves to its Executive Committee the final and absolute right to interpret these rules and regulations, and arbitrarily settle and determine all matters, questions or differences in regard thereto, or otherwise arising out of, or connected with, or incident to the Exposition.

Visitors.

Ladies and gentlemen may be assured of finding in the buildings everything necessary to the convenience and comfort of young and old during the Exposition.

Ample restaurants and lunch rooms, managed by experienced caterers, will serve meals and refreshments during hours of exhibition at reasonable rates.

A barber shop, wash rooms and parcel rooms for the deposit of satchels, cloaks, etc., and in charge of responsible parties, are conveniently located for the accommodation of the visitors.

The hotels of the city, ample for any occasion, will not exceed their regular rates, and the city authorities will co-operate with the managers of the Exposition in every practicable manner to insure the safety and contribute to the pleasure of the visitors.

Bureau of Information.

There will be a free bureau of information at the main office, where all questions will be cheerfully answered.

Bank.

The National Live Stock Bank will have a representative at the Exposition to care for all legitimate needs of properly identified visitors and exhibitors.

Special Rules Governing Exhibits of Live Stock. Read also Foregoing General Rules.

RULE 45. All animals in the breed classes must be recorded or accepted for record in the recognized books of record for their respective breeds as shown herewith, and exhibitors must produce certificates of registry at the request of the General Manager any time during the Exposition.

Rules.

RULE 46. Entries free, but, in all cases, animals are subject to the stall and pen fees, provided for by the special rules in their respective sections of this list. This rule is particularly subject to Rules 9 and 13.

RULE 47. To be eligible for competition, whether singly or in groups, animals must be the bona fide property of exhibitors, and all animals entered for competition, except where otherwise specified, must have been owned by exhibitors for at least fifteen days previous to the opening day of the Exposition, Nov. 30, 1901.

RULE 48. Firms and co-partnerships entering animals for competition must have been in existence on Sept. 1, 1901, and in all cases must be bona fide. An affidavit of the age of the firms may be required by the management.

RULE 49. An animal can compete in more than one class and for any and every purse in sweepstake groups or specials to which they are eligible under the classification. The rules are so arranged as to enable every exhibitor to easily determine to which classes his exhibits are eligible.

RULE 50. No animal will be awarded a prize unless removed from its stall or pen and exhibited with catalogue number attached before the judge in the show ring. Animals not exhibited when called out by the ring steward, unless specially excused by him, will be charged \$2 per day for use of stalls or pens, and all fees paid will be forfeited.

RULE 51. No animal that has a catalogue number shall be taken from its stall or pen without the numbered tag attached to correspond with the catalogue.

RULE 52. The General Manager will appoint a veterinary surgeon and such other assistants as may be necessary. The veterinary surgeon shall cause all animals to be examined before their admission to the grounds, as a safeguard against infectious or contagious diseases, and shall make inspection of the grounds, stables, stalls and pens, and make report in writing to the General Manager of the condition in which said grounds, stables, stalls and pens are kept. In case of sickness of any animal, the same shall be removed, when ordered by the General Manager, to a separate enclosure, where the exhibitor may either direct the treatment of the animal himself, or employ the veterinary surgeon appointed for that purpose, for whose services and other necessary expenses incurred a reasonable charge will be made by the Exposition. The right is reserved to the General Manager to order the preemptory removal from the grounds of any animals to which this rule applies.

RULE 53. The Superintendent of Forage will have feed for all live stock at reasonable prices. Exhibitors may bring their own supplies, if they so desire.

RULE 54. A reasonable amount of straw and shavings will be furnished exhibitors at market prices.

RULE 55. Exhibitors are required to see that their attendants are neatly dressed when they take their stock into the show ring.

RULE 56. Exhibitors of live stock are requested to decorate their quarters as tastily as possible, and must keep that part of the building occupied by them neat and attractive in appearance. This will not only be to the general advantage of the Exposition, but will prove a strong factor in impressing each individual exhibit upon the minds of the visitors and buyers. Rye straw and bunting for decorating stalls will be supplied at cost.

RULE 57. Exhibitors will be allowed to display prize ribbons, medals, certificates of award, etc., at their own quarters during the entire Exposition.

RULE 58. The time at which the judges will pass upon the different classes will be announced on the bulletin board.

RULE 59. Animals must be shown in such manner as the judge may require or allow, and if the exhibitors refuse to submit to the proper requirements of the judges their animals will be ruled out.

RULE 60. Exhibitors are required to uncover their animals that they may properly be seen by visitors at such hours and for such time as the General Manager may direct.

RULE 61. Animals to compose a competitive group need not be named in application for entry, but must be selected by exhibitor before entering the judge's ring.

The Exposition expects, however, that the names be given in the application, so that such groups may be intelligently catalogued.

RULE 62. The primary object of this Exposition is to encourage the breeding and feeding of improved breeds of live stock, for well defined, practical purposes. Regard will be had to symmetry, size, form, action, constitution, vigor and general characteristics of the various breeds, with reasonable allowances for age, but due regard will also be paid to heads, and that graceful carriage, style and general refinement that denotes breed character—points which, while not weighing on the "scale," add value to animals when being sold for breeding purposes. And, in groups, encouragement will be given to uniformity of breed type.

RULE 63. The Exposition debarb and will to the utmost of its power discourage and prohibit the exhibition of barren animals in the breeding classes.

RULE 64. The Exposition reserves the right to discriminate against both excessive obesity, which cannot be a profitable condition for breeding animals, and excessive leanness, in which condition animals are unfit for exhibition.

SPECIAL RULE—Carloads of cattle, intended for competition in the carload fat classes, must arrive Monday, Dec. 2d. They will be judged Wednesday, Dec. 4th, and must remain on exhibition Thursday, Dec. 5th.

CATTLE DEPARTMENT.

Breeding Cattle Division.

RULE 65. Stall fees, \$3.00 for each animal when occupying single stall; \$5.00 when occupying box stall, which must in all cases accompany the application for entry.

RULE 66. For the 1901 Exposition the ages of cattle shall be computed from the 10th day of August of the year in which they were calved for entries in all breeding classes, and the 2-year-old steers and the senior classes for steer calves and yearling steers of the fat stock division. For the junior classes of grades and crosses in steer calves and yearling steers the date shall be Dec. 1st. For the 1902 Exposition the date of computing ages for all breeding classes shall be Oct. 1st, and for all fat stock classes Dec. 1st of the year in which they were calved; except in the junior steer calf and yearling steer classes of grades and crosses, the date of which shall be April 1st.

RULE 67. A bull over one year old without ring in his nose may be excluded from the Exposition, in the discretion of the General Manager.

RULE 68. Accompanying each entry of cows three years old or over in any of the breeding classes, an affidavit is required at time entry is made giving date of birth of her last calf and the time she is due to calve again. Such cows must have produced a matured calf since Sept. 1, 1900, or show satisfactory evidence of being in calf. Where objection is made (and sustained by the Executive Committee) as to a cow's eligibility under this rule, any premium awarded to such cow shall be withheld until said cow shall have produced, on or before March 1, 1902, a calf.

RULE 69. Any bull over thirty-six months old entered in any of the breeding cattle classes, that has not had dropped to his services a living calf during the eight months preceding the opening day of the Exposition, shall be deemed barren, and as such shall be excluded from competition. Certificate from the exhibitor, properly attested, will be required by the General Manager.

RULE 70. Judges are instructed to award prizes for breeding cattle in the different classes in the order in which they, as buyers for a valuable consideration and without any warrantee of usefulness, would make selection therefrom for breeding purposes; due consideration being given on the one hand to the accepted maxim of breeding, that "like produces like," and on the other hand, to the doubtful utility for breeding purposes of over-fat animals, not considering color or pedigree.

RULE 71. Judges are instructed to discriminate against animals upon which a surgical operation has been performed for the purpose of improving its "show" appearance, such as severing of a "tie" in the back, at the rump, or elsewhere.

RULE 72. In plain cases where these rules are violated, when brought to his attention, the General Manager will investigate carefully, and shall, in his discretion, disqualify animals or exhibitors, or both. In such plain cases the initiatory in bringing punishment on the offenders shall be the duty of the officers of the Exposition.

RULE 73. In doubtful cases, where insufficient proof of violation of these rules is evident to the General Manager, so that he shall deem himself unwarranted in taking the initiatory steps, then complaints against animals or exhibitors believed or supposed to be invading the rules, come under the jurisdiction of and must comply with Rule 24.

RULE 74. In cases pertaining to animals being ineligible to competition under these rules, that shall come before the Executive Committee for final disposal, in which complaints shall have been established before and by the Executive Committee, then the Executive Committee may impose penalties in accordance with Rules 23, 27, 38, etc. All fees paid, or premiums that may have been awarded, shall be forfeited to the Exposition, and the Executive Committee may impose such additional penalty as, in their judgment, the case deserves.

FAT CATTLE DIVISION.

RULE 75. Judges are instructed to prefer the highest degree of excellence obtainable, considering form, finish, quantity and quality of flesh and fat, also age and weight; to recognize the very highest quality of prime edible meat, and to object to the production of superfluous tallow; qualities that are indicated to the touch, to the end that animals that win prizes on foot shall ultimately be proven first quality of beef.

RULE 76. All prize winners at this Exposition two years old or over and the Grand Champion in the following sections for single fat animals of the Hereford, Short Horn, Aberdeen-Angus, Galloway, Devon, Red Polled, Sussex, or Polled Durham Breeds, and also in the sections for grades and crosses, must be slaughtered during the Exposition, as the management directs, and they will be entered by the ring stewards for the Slaughter and Dressed Carcass Tests. This rule is compulsory, and will be enforced with all said prize winning animals over 2 years. Exhibitors are requested to enter yearlings for the slaughter test, but their entry and slaughter is not compulsory.

RULE 77. Exhibitors will be required to furnish a statement of the feeds and methods of feeding employed by them in the production of their exhibits. Such statements shall be used for publication in newspapers and in the Exposition's Annual Report—or otherwise, as may in the discretion of the management be deemed best to promote the education of those interested. Blank forms for these statements will be supplied by the General Manager.
